Spider Hires Joe McCoy as District Sales Representative – New Orleans

Seattle – Spider, a division of SafeWorks, LLC, recently hired Joe McCoy as District Sales Representative for its New Orleans location. In the Louisiana/Mississippi territory, Joe is responsible for solving the suspended access and safety challenges of contractors and facility owners in energy, oil & gas, infrastructure, O&M and construction end markets.

Joe comes to Spider from Halo Equipment, LLC, an offshore rigging products supplier, where he most recently served as Vice President, overseeing all operations, sales and financing, and launching new products in their rental division. Throughout his career, he has held management roles with various Louisiana-based construction and distribution organizations.

“We’re excited Joe has joined the Spider team,” states John Sotiroff, Vice President Sales & Distribution. “Joe’s impressive work in Louisiana’s offshore rigging and construction markets fits well with Spider’s reputation for the reliable, trusted solutions we provide our Gulf customers. Joe will deliver a first rate experience for Spider customers.”

About Spider:

Founded in 1947, Spider, a division of SafeWorks, created the powered suspended access business by introducing the well-known Spider basket. Since then, our product and service offering has expanded greatly to serve the needs of an ever-growing marketplace. Spider is the largest manufacturer and distributor of access and safety solutions in North America, serving more customers from more locations with a wider variety of products and services than any other company. From baskets, traction hoist and platform rental, to safety and training, to specialty-engineered products - Spider has a strong team of professionals, along with an international network of sales, service and support capabilities to provide you with the most reliable access solutions available.
