Spider hires Jacob Bergstresser as District Sales Representative – Denver

Seattle – Spider, a division of SafeWorks, LLC recently hired Jacob Bergstresser as District Sales Representative for its Denver location. In this position, Jacob is responsible for solving the suspended access and safety challenges of contractors and facility owners in Colorado, Wyoming, and much of Montana, Idaho and Utah.

Most recently Jacob served as Project Manager at AESC in New York, overseeing all U.S. based commercial construction projects and service operations. Prior to joining AESC, Jacob was Superintendent for Bovis Lend Lease and held various project management roles for construction firms in Colorado.

“For more than 60 years, Spider has been committed to providing an outstanding customer experience,” said John Sotiroff, Vice President, Sales and Distribution. “Our Denver customers will be in capable hands as Jacob strives to deliver the most efficient solutions, making safety and productivity the primary goals.”

About Spider:

Founded in 1947, Spider, a division of SafeWorks, created the powered suspended access business by introducing the well-known Spider basket. Since then, our product and service offering has expanded greatly to serve the needs of an ever-growing marketplace. Spider is the largest manufacturer and distributor of access and safety solutions in North America, serving more customers from more locations with a wider variety of products and services than any other company. From baskets, traction hoist and platform rental, to safety and training, to specialty-engineered products - Spider has a strong team of professionals, along with a national network of sales, service and support capabilities to provide you with the most reliable access solutions available.
