FEATURES

- Perfect for heavy-duty projects featuring a 1200lb and 2000lb capacity

- Trestle Monorail is a free-standing A-Frame that is ideal for jobsites where scaffolding is not available

- Installs easily between floors and rooftops with no special tools required

- Customize this mounting system for use on mast climbing platforms

- Counterweight Clamp Assembly installs easily, accommodates standard 50 lb. staging weights and provides complete system counterbalance

- All Beta Max Mounting Systems can be tailored to your jobsite specifications

- Capacity: 1200 lbs. or 2000lbs

COMPATIBLE HOISTS

- Scorpio Plus & Scorpio Plus XL
- Gemini Plus
- New Yorker
- Leo & Leo XXL

Scaffolding frames should always be securely assembled and counter-balanced appropriately. Beta Max is not responsible for providing I-Beams or counterweights for the Counterweight Clamp Assembly. This information is intended to be informative only, and does not constitute a representation or warranty with regard to Beta Max Hoists or any products or services provided. Prices and information are subject to change. Some or all of the renderings in these materials will vary from the actual hoist systems.
