

# Spider Self-Retracting Lifelines

New lightweight Spider Self-Retracting Lifelines are designed for safety and durability

Maximum Angle  
180° (Straight)

Minimum Angle  
120°

SC-40  
2 Req

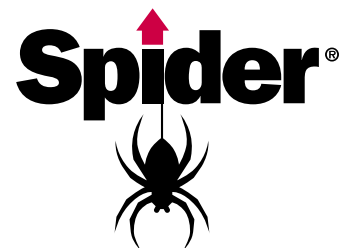

Spider Self-Retracting Lifelines (SRLs) are ideal for a full-range of applications including construction and general maintenance. Constructed of durable, impact-resistant housings with steel frames, Spider SRLs are designed to endure the demands of rigorous work environments.

- **Affordably priced**—the Spider line of retractables provide a better value than competitive units
- **Quick-activating braking mechanism**—arrests free-fall to less than two-feet, requires less fall clearance than a shock-absorbing lanyard and provides for a quick, safe rescue

- **Variety of working lengths**—lifeline available in 9-, 10-, 11-, 20-, 30-, 50- and 65-feet
- **No annual factory re-certification required**—lowers cost of ownership and increases productivity\*

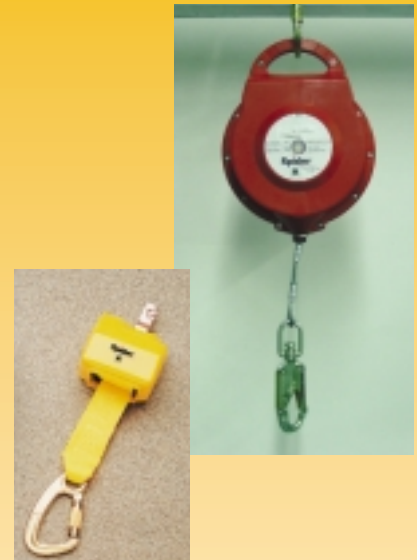

\*Except in Canada where CSA requires annual factory recertification

A Division of SafeWorks, LLC

### More Features/Benefits of Spider Self-Retracting Lifelines

- **Integral handle**—wire rope models include an integral handle making them easy to carry and install
- **Snap hook with swivel**—prevents the lifeline from twisting and tangling
- **Visual load indicator**—indicates the unit must be removed from service
- **Narrow payout port**—minimizes debris entering unit
- **Performance meets the standards**—meets OSHA 1926.502, ANSI Z359.1, ANSI A10.14 and CSA Z259.2.2-98 Type 2

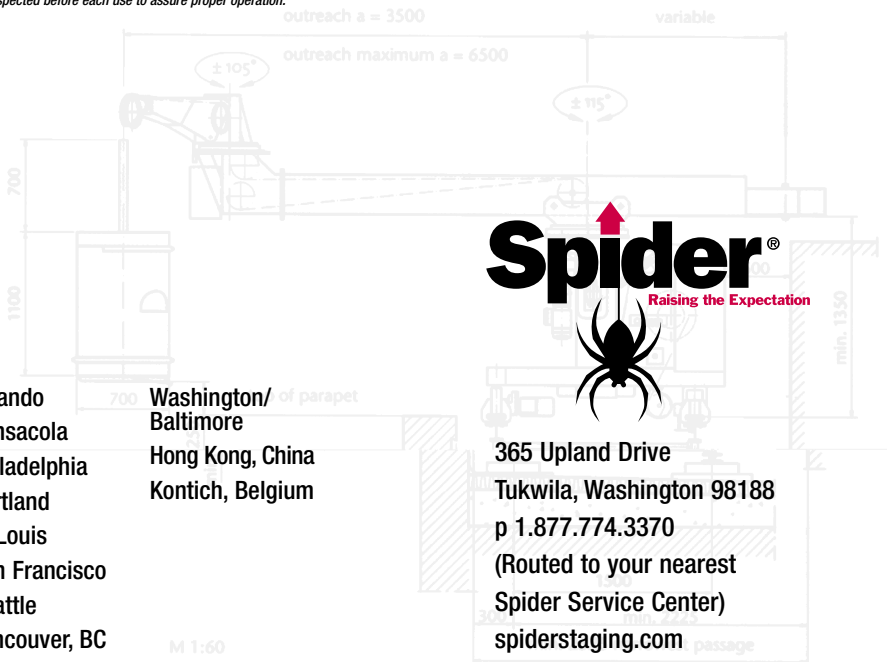

### Spider Self-Retracting Lifeline Models

Part Number	Length	Description	Weight, lbs
<b>Lifeline Material: Synthetic Webbing</b>			
BD-00022	9 feet	Spider Personal Fall Limiter with stainless steel swivel	3.1
BD-00010	10 feet	Retractable web lanyard with polyester webbing with swivel	2.3
BD-00012	11 feet	Mini Spider Fall Limiter and stainless steel swivel	2.6
BD-00013	20 feet	Retractable web lanyard with polyester webbing. Aluminum and stainless steel housing	8.0
<b>Lifeline Material: Galvanized Steel Cable</b>			
BD-00021	9 feet	Retractable cable lanyard with 3/16" galvanized steel rope and stainless steel swivel	4.5
BD-00003	20 feet	Retractable cable lanyard with 3/16" galvanized steel rope. Gas filled polypropylene housing	11.0
BD-00016	30 feet	Retractable cable lanyard with 3/16" galvanized steel rope. Gas filled polypropylene housing	13.0
BD-00001	50 feet	Retractable cable lanyard with 3/16" galvanized steel rope. Gas filled polypropylene housing	18.0
BD-00004	65 feet	Retractable cable lanyard with 3/16" galvanized steel rope. Gas filled polypropylene housing	19.0

*This equipment should only be used in conjunction with the manufacturer's instructions. Failure to follow instructions could result in serious injury or fatality.*

**Work Safely**—Remember that self-retracting lifelines (SRL) must be inspected before each use to assure proper operation.
