Gunnebo Johnson Snatch Block Spares (721000-1)

November 7, 2023

PURPOSE

It has recently been brought to our attention that Gunnebo Johnson has obsoleted their snatch block that we offer as part number 721000, therefore no spare parts are available for this part.

COMPLIANCE CATEGORY

Safety

Failure to comply with this product update could result in personal injury and/or death. Compliance is mandated within a specific operating time.

Compliance Required

Identifies the need for action to correct a condition that, if left uncorrected, may result in reduced equipment reliability or efficiency. Compliance may be required within a specific operating time.

Optional

Identifies changes that may be beneficial to some, but not necessarily all. Accomplishment at customers discretion.

PRODUCT MODELS AFFECTED

Rigging Accessory

SUB-COMPONENT

721000-1 and Spare Parts

ACTION REQUIRED

For those that have the Gunnebo Johnson version of 721000-1 in your location, there are no longer spare parts available for this version. If a spare part is required, you will need to order a new 721000-1, which will be delivered as a McKissick brand.

For the McKissick version that is now being shipped, spare parts are being set up through the ECO process and will be available shortly. Once released through ECO 230568, the parts will be available in JDE as well as a drawing of the components available. If you have any questions, please reach out to Product Support.
